P2P (Person-to-Person) Payments powered by Acculynk

P2P (Person-to-Person) Payments powered by Acculynk ("P2P Payments"), is a service that allows you to send money via Online Banking to others using a cell phone number or an email address through the Acculynk network. Sending money does not require you to have a Acculynk Account, but the following rules do apply regarding Acculynk's role in processing P2P Payments transactions that use the Acculynk network.

Acculynk's Relationship with You

Acculynk is a Payments Service Provider. Acculynk helps you make payments to third parties. Acculynk is an independent contractor for all purposes, except that Acculynk acts as your agent with respect to the custody of your funds only. Acculynk does not have control of, or liability for, the products or services that are paid for with our service. We do not guarantee the identity of any recipient or ensure that a recipient will complete a transaction.

Eligibility for P2P Payments

Identity Authentication: You authorize the Credit Union, directly or through third parties, to make any inquiries considered necessary to validate your identity. This may include asking you for further information, requiring you to take steps to confirm ownership of your email address or financial instruments, ordering a credit report and verifying your Information against third party databases or through other sources. The credit union will, at its sole discretion, authorize the use of P2P and may at its sole discretion disallow the use of P2P payments by any credit union member.

Sending Money via Online Banking P2P Payments

Sending Limits. Acculynk may, at its discretion, impose limits on the amount of money you can send through the P2P Payments service (in addition to any limits set by us).

Transfers. When an Online Banking P2P Payments is made, the funds are immediately transferred from your account for Transfer and are credited to Acculynk to provide funds to the recipient. You agree that such requests constitute your authorization to us and Acculynk to make the Transfers. Once you have provided your authorization for the Transfer, you may not be able to cancel the electronic Transfer.

Refused and Refunded Transactions. When you send money, the recipient is not required to accept it. You agree that you will not hold Acculynk or the Credit Union liable for any damages resulting from a recipient's decision not to accept a payment made through the service. We will return any unclaimed, refunded or denied payment to your Account within 30 Days of the date you initiate payment. If a payment is unclaimed, denied or refunded for any reason, we will return the money to your Account. If a recipient does not have an account with Acculynk, and does not set one up before 30 days has elapsed, you can request that the funds are returned to you before 30 days has elapsed by using the return function in the online banking P2P screen.

How to Notify Us of Unauthorized Transfer, Lost Device, Error or Inquiry

1. Tell us AT ONCE if you believe your [card] [code] has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your [card] [code], you can lose no more than \$50 if someone used your [card][code] without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your [card] [code], and we can prove we could have stopped someone from using your [card] [code] without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods

2. You must include the following information: Your name and Account number; a description of the error, loss and/or Transfer that you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and, the dollar amount of the suspected error or unauthorized Transfer.

3. If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days.
4. We must hear from you no later than 60 days after the date we send the first statement on which the problem or error appears.

Claims, Limitation of Liability, No Warranty

You agree that within 10 days after you receive notification that your P2P Payments request has been executed, you will tell the Credit Union of any errors, delays, or other problems related to your request. If your funds Transfer request is delayed or erroneously executed as a result of the Credit Union's error, the Credit Union's sole obligation to you is to pay or refund such amounts as may be required by applicable law. If you initiate a payment to a party or payee to which you did not intend, you are responsible to contact the receiving party to have the funds returned. The Credit Union or any of its payment processors are not responsible for payments which were made in error by you or anyone you authorized to make payments on your behalf. Any claim for interest payable shall be at the current stated account rate. In any event, if you fail to notify the Credit Union of any claim concerning your funds Transfer request within 60 days from the date that you receive notification that your request has been executed, any claim by you shall be barred under applicable law.

If we do not complete a Transfer to or from your Account, on time or in the correct amount, according to our agreement with you when you have properly instructed us to do so, we will NOT be liable, in cases such as, but not limited to the following:

1. If, through no fault of ours, you do not have enough money in your Account to make a Transfer.
2. If a legal order directs us to prohibit withdrawals from the Account.
3. If your Account is closed, or if it has been frozen or blocked.
4. If the Transfer would cause your balance to go over the credit limit of an established line of credit or the credit limit for any credit arrangement set up to cover overdrafts.
5. If the Transfer would cause your balance to go over any Courtesy Pay services limit you may have.
6. If you, or anyone authorized by you, commits any fraud or violates any law or regulation.
7. If any electronic terminal, telecommunication device, or any part of the online banking electronic funds Transfer system is not working properly and you knew about the problem when you started the Transfer.
8. If you have not properly followed the on-screen instructions for using P2P.
9. If circumstances beyond our control (such as fire, flood, interruption in telephone service or other communication lines) prevent the Transfer, despite reasonable precautions that we have taken.
